A - DEFINITIONS

A.1 - “Application”

Refers to a software product designed to run on any operating system such as iOS, Android, Windows, Linux, and including but not limited to computers, smartphones, Servers, Websites or virtual machines.

A.2 - “Author”

Refers to Fabian De Smet, creator and owner of the original intellectual property rights and copyright to the licensed Font Files “Butler Pro” covered by this End User License Agreement. The rights granted to the End Users under this License are derived from the Author’s ownership and authorization, as outlined in the terms and conditions of this End User License Agreement.

A.3 - “Commercial Electronic Document”

Refers to an electronic document or data file made available to the general public for a fee or other form of compensation, such as e-books, e-magazines or online periodicals.

A.4 - “Derivative Work”

Refers to any creation that is based on or derived from the Font Files, including but not limited to any revision, modification, translation, abridgment, condensation, expansion, decompilation, encryption, rearrangement, reencoding, digitization, or redigitization, regardless of the medium on which it is recorded or the format in which it is expressed, or any other form in which the Font Files may be recast, transformed, emulated, or adapted. For the purposes of this End User License Agreement, a Derivative Work shall also include any compilation that incorporates the Font Files.

A.5 - “Digital Marketing Communication”

Refers to the use of digital channels and platforms to disseminate promotional messages, advertisements, or other marketing content to target audiences. This term encompasses various online marketing strategies and tactics aimed at engaging and persuading potential customers through digital means such as email advertisements, banner ads, ads in Websites and Applications.

A.6 - “End User(s)”

Refers to an individual that has obtained the legal right to Use the licensed Font Files in accordance with the terms and conditions outlined in this End User License Agreement. The End User may include but is not limited to the Licensee or any representative authorized by the terms of this License acting on behalf of the Licensee. The rights granted to the End User are non-transferable and are subject to compliance with the provisions of this End User License Agreement.

A.7 - “EULA” or “License”

Refers to the legal contract (End User License Agreement) entered into between the Author and the Licensee. The EULA sets forth the terms, conditions, and limitations governing the Use and distribution of the Font Files. It outlines the rights and responsibilities of the parties involved and serves as a legally binding agreement that must be adhered to for the lawful Use of the licensed Font Files. Different variants of the EULA (usually referred to as “License”) exist based on the requirements of the Licensee for the Use of the Font Files. For example, the “Publishing License” will be required for book publishing, while the “App License” will be required for the integration of the Font Files in an Application.

A.8 - “Font(s)”

Refers to the typographic design and style of the typeface, including its visual characteristics such as weight, width, and ornamentation. A “Font” represents the artistic and design elements that defines the appearance of characters, symbols, and glyphs. The term “Font” does not include the digital files or instructions used to generate the typeface, which are separately defined as “Font Files” in this Agreement.

A.9 - “Font Files”

Refers to the files or instructions which, when used on an appropriate device or software, generates in part or in whole the Butler Pro typeface, its typographic designs and/or ornaments. Font Files shall also include all representations and source code, partial or in whole, of the typographic designs created by or derived from the Font Files, as well as upgrades, updates (each of which may be provided to You by the Author in its sole discretion), related files, permitted modifications, permitted copies, and related documentation.

A.10 - “Impression”

Refers to the view of a single instance of a Digital Marketing Communication being displayed on a digital platform by a distinct individual. Each time a Digital Marketing Communication is served and appears on a user’s screen, it counts as one impression, regardless of whether the user interacts with the Digital Marketing Communication or not.

A.11 - “Licensee”

Refers to the individual or entity that purchased the License(s) to be granted the legal right to Use the Font Files under the terms and conditions specified in the EULA. The Licensee is bound by the terms outlined in the EULA. The Licensee will be held responsible for any kind of use or misuse of the Font Files by the End User(s) or Unlicensed Third Parties to whom the Font Files is provided starting from the Licensee’s purchase and/or download.

A.12 - “Server”

Refers to any computer system or software application that provides resources, services, or data to other devices through a network. Servers are commonly used to host Websites, store and manage files, run applications, and facilitate communication between devices.

A.13 - “Title”

Refers to a specific work or production, usually subject of intellectual property, including but not limited to a film, a music album, a book, or other creative works, often licensed under a distinct name for distribution.

A.14 - “Unique Visitor”

Refers to a distinct individual who accesses a Website, usually through a unique IP address. If a device, software or individual shares the content of the Website to other individuals, each individual receiving the content will also be counted as a Unique Visitor. Each visitor is counted only once, regardless of how many times that individual visits the Website during the designated timeframe.

A.15 - “Unlicensed Third Parties”

Refers to the individual or entity who has not been granted the legal right to use the Font Files under the terms and conditions specified in the EULA.

A.16 - “Use”

Refers to the activity or action of an individual, entity, device or software providing input to the Font Files or generating content from the Font Files’s design whether in part or in whole, by interacting directly or indirectly with the Font Files.

A.17 - “Website”

Refers to one web domain name and the associated web pages, multimedia content, and/or digital resources accessed from a common root Uniform Resource Identifier. A Website may be hosted on web servers and can be accessed by the public through web browsers or other internet-enabled devices.

A.18 - “Workstation”

Refers to a single-user computing device without shared access which allows its user to input commands to be executed directly or indirectly by the Font Files.

B - GENERAL PROVISIONS

B.1 - Binding agreement

B.1.a This EULA constitutes a binding legal agreement between you and the Author, and establishes the terms and conditions by which you are permitted to use the Font Files that is the subject of this EULA, as well as any media, printed materials, electronic documentation, updates, add-ons, artwork, web services, and any other materials that may be associated with the Font Files now or in the future.

B.1.b By downloading, installing and/or using the Font Files, you acknowledge that you have read this EULA and understand it and that by using the Font Files you will be bound by its terms and conditions.

B.1.c You further agree that it is the complete and exclusive statement of the License between the Author and you which supersedes any proposal or prior agreement, oral or written, and any other communications between the Author and you relating to the subject matter of this EULA.

B.1.d If any provision of this License is held void or unenforceable, the remaining provisions of this License will remain in full force and effect. The Author expressly reserves the right to amend or modify this EULA at any time and without prior notification. If you do not wish to be bound by the terms and conditions of this EULA, you are not permitted to access, download, install and/or use the Font Files. We recommend that you keep a copy of the EULA for further reference.

B.2 - Licensee

Upon the Author’s receipt of full payment of the required and adequate license fee by the buyer, the buyer will become a Licensee. If the Licensee agrees to the terms and conditions, the Licensee is granted a non-exclusive, non-sublicensable, terminable, and non-transferable License to Use the Font Files in accordance with the EULA. The Licensee does not own the Font Files, including any glyph or glyphs generated by using the Font Files, and all other electronic data comprised or generated in the Font Files.

B.3 - Appropriate License

Use of the Font Files and the design of the Font Files embodied therein are not permitted without purchasing the appropriate License. In order to obtain a License upgrade, please visit the Author’s website to find the sales page, or contact the Author for more information. If you are unsure whether your use of the Font Files is specifically permitted under this EULA, please contact the Author. The Author will be happy to address any and all licensing questions or clarifications when he is available.

B.4 - Future updates

The Author may, from time to time, update the Font Files, the EULA, the Licenses, and/or prices. The author will use his best efforts to inform his customers of any important changes made in the Licenses, sending an update notice via e-mail. The notice shall be deemed as read and received upon 5 working days of being sent. Please remember to keep your information updated.

C - DESKTOP & WEB (STANDARD) LICENSE GRANTS

C.1 - Desktop & Web (Standard) License grants informative summary

For the purpose of clarity, with a Desktop & Web (Standard) License, the Use of the Font Files is only allowed for the creation of print and/or Website design works such as logotypes, brandings, posters, graphic designs, web designs.

Please read more below to make sure the License and its limitations you will cover your needs before you purchase it.

C.2 - License grants

C.2.a Pursuant to the terms and conditions of this License, the Author hereby grants the Licensee a worldwide non-exclusive, non-signable, and non-transferable (except as expressly permitted in this EULA) License, to allow the End Users to Use the Font Files under the conditions that follow.

C.2.b With the Desktop & Web (Standard) License, the Use of the Font Files can fulfill the following purposes:

- create graphics, design works, logotypes, static images, business documents, posters, packaging, corporate identities, and branding products, for both personal and commercial works. You may sell and distribute such work SUBJECT ALWAYS to you NOT (at any time) distributing, making available, or otherwise disseminating the Font Files to Unlicensed Third Parties, other than by embedding the Font Files in an electronic document solely for print and view and provide such electronic document to a commercial printer for printing only. The electronic documents with embedded Font Files may only be distributed if the Font Files cannot be fully or partially extracted from such electronic documents.
- To Use the Font Files in commercial documents such as books, e-books, magazines, periodicals or comics, a Publishing License purchase will be required.
- install the Font Files on a Server owned by the Licensee to generate content on a Website.
- Use the Font Files for the purpose of typing text in form fields and/or customer feedback.
- Use of the Font Files to style HTML and SVG documents using the CSS @font-face mechanism.
- Use in non-advertising emails, with the Font Files served from the Licensee’s Server only.
- keep one (1) unmodified backup copy of the licensed Font Files locally on a desktop, laptop, or on an offline studio device; for initial archive purposes, program error verification or to replace defective media, and all such copies made must also contain the full EULA file with it. The Licensee must be the only person who maintains and/or has access to this backup copy.

C.3 - Reserved rights

Any rights not expressly granted to you in this License are reserved to the Author.

C.4 - Format delivery

Once a Desktop & Web (Standard) License has been purchased, the Font Files will be provided to the Licensee in OpenType (OTF), TrueType (TTF) and Web Open Font (WOFF/WOFF2) formats.

D - DESKTOP & WEB (STANDARD) LICENSE LIMITATIONS

D.1 - Desktop & Web (Standard) License limitations informative summary

For the purpose of clarity, with a Desktop & Web (Standard) License, the use of the Font Files is prohibited for:

- digital advertisements and banners (Digital Ad License needed).
- printed or electronic commercial documents publications such as books, e-magazines, periodicals (Publishing License needed).
- production of goods such as apparel, furnitures, accessories (Merchandise License or Server License needed).
- desktop, mobile or cloud-based Applications, digital games and other softwares (App License needed).
- productions recognized as Titles, such as films, animations, vlogs, video channels, interactive works (Broadcast License needed).
- editable templates and live on-the-fly text editing for Unlicensed Third Parties (Server License needed).

Please read more below to make sure the License and its limitations you will cover your needs before you purchase it.

D.2 - Custom License

Custom licensing is available on request to cover Uses beyond the publicly available Licenses described above.

If you have any questions about Font Files licensing or can’t find a License to fit your needs, please contact the Author at: contact@fabiandesmet.com

D.3 - Amount limitations

D.3.a Please note that all Licenses are subject to limitations, including but not limited to specified numbers of: End Users; Website Unique Visitors; products; Workstations; Titles. You are required to maintain records with respect to your use of the Font Files against such licensed amounts and the Author reserves the right to ask you, from time to time, to provide information regarding such amounts and/or to fully document and certify that use of any and all Font Files at the time of the request is in conformity with your valid Licenses from the Author, which you must provide to the Author within thirty (30) days of his request. In the event your use of the Font Files exceeds your licensed amounts, you agree to license from the Author the necessary additional amounts and pay any fee associated with such increase in usage.

D.3.b For each single Desktop & Web (Standard) License purchased by the Licensee, the Licensee and the End Users are limited to the download, installation and Use of the Font Files at a single business location on not more than five (5) Workstations, such as computers, laptops, notebooks, tablets, or smartphones, to Use the Font Files in any single-user desktop Application that contains a font menu (such as Microsoft Word or Adobe Photoshop). If the Font Files needs to be installed on more than five (5) Workstations, additional Licenses and/or upgrades must be purchased to meet the requirements by increasing that limit incrementally. Otherwise, the Author can be contacted in order to upgrade your License to allow for these additional installations, subject to the payment of additional fees.

D.3.c Each single Desktop & Web (Standard) License purchased by the Licensee covers the rendering of the Font Files on up to three (3) Websites (with unlimited subdomains) to generate content as long as none of the Websites and their subdomains exceed fifty thousand (50,000) Unique Visitors per month and per Website.

If any of the licensed Websites exceeds for three (3) consecutive months the maximum threshold of Unique Visitors defined by the License(s) owned by the Licensee, additional Licenses and/or upgrades must be purchased by the Licensee to meet the requirements by increasing that limit incrementally. Otherwise, the Author can be contacted in order to either upgrade your License(s), purchase additional Licenses, or produce a custom License for you, subject to the payment of additional fees.

For that purpose, it is strongly recommend that you use a widely accepted tracking service (e.g. Google Analytics tools) to record and measure your Unique Visitor usage prior and after purchase of the Font Files License.

The Author reserves the right to inspect or monitor your usage.

Digital advertisement is not allowed with this License. If you would like to create digital advertisement with the Font Files, the Digital Ad License is required.

D.4 - Font Files distribution

D.4.a Aside from read-only PDF format for printing, it is prohibited to distribute or embed the Font Files in any other format to Unlicensed Third Parties. For documents in other formats distributed to Unlicensed Third Parties, the visuals created from the Font Files are required to either be converted into a pixel-based image format, or transformed into static flattened vector outlines. If you were to distribute files that have been created using the Font Files, you must ensure that the Font Files and its designs or any of its component, cannot be individually accessed and rendered through a software, a Website, a hardware device, or other means enabling the use of the Font Files by Unlicensed Third Parties.

D.4.b The Licensee and the End Users are prohibited from distributing the Font Files alongside the source code of any Website.

The use of third-party font hosting services is strictly forbidden. The Font Files should be stored and served from the same devices and location as any other application and/or asset associated with the Websites or design campaigns for which the License was purchased by the Licensee. It is prohibited to use the Font Files to create products that function similarly to typesetting, enabling End Users or Unlicensed Third Parties to construct words using individual letterforms derived from the Font Files.

Providing the capability for Unlicensed Third Parties to edit live text composition using the Font Files data is strictly forbidden (e.g. personalised invitation service with a customizable text feature for a greeting card, merchandise or products).

Providing or uploading the Font Files to be accessed for live on-the-fly editing is strictly forbidden.

The Font Files must not be shared in ways that make the Font Files, its components, or the source code, available to any Unlicensed Third Parties.

D.4.c The Licensee is responsible for ensuring that all End Users who might receive the Font Files on behalf of the Licensee, must comply with the terms of this License before any use of the Font Files.

D.4.d The Licensee shall make a reasonable attempt to prevent the use of any process that allows hot-linking, re-serving or re-directing access to and/or use of the Font Files by Unlicensed Third Parties.

D.4.e It is prohibited to distribute, give, lend, rent, share, transmit, lease, loan, sell or sublicense, in whole or in part, the Font Files, or any copies thereof, to any Unlicensed Third Parties (which includes a subsidiary, affiliate, franchisee, assignee, customer or agent) without the Author’s prior written consent, except as expressly permitted under the terms of this EULA. If you use the Font Files on behalf of any other party, you warrant that you have the legal authority to enter into this contract on behalf of that party, and you must delete the Font Files or purchase your own adequate License for continued use of the Font Files with other clients or projects. It is the Licensee’s responsibility to inform about the content of this License to any entity it might provide the Font Files with.

D.4.f Under no circumstances shall the Font Files be available to be extracted/obtained from mediums such as Websites, electronic devices, or Applications (even open source softwares). It is prohibited to embed the Font Files into Websites, electronic devices or Applications without the explicit written permission from the Author or an adequate License which allows such Use. If you are unsure how to prevent Font Files extraction, review your embedding software prior to creating files containing embedded copies of the Font Files.

D.4.g All devices on which the Font Files has to be installed must be owned by the Licensee, or owned by the End Users acting on behalf of the Licensee if the License allows it.

D.5 - Clients and Licenses

In the event you are purchasing this License for Use on behalf of a client (e.g. you are an agency acting on behalf of a client to produce visuals for that client) your client must purchase its own License to use the Font Files. Any supply and onward Use, to and by an end client without the appropriate License will be considered a breach of License and infringement of intellectual property rights.

D.6 - Commercial use

You are not permitted to sell the Font Files or use it to create products for sale, unless substantial creative value has been added to the Font Files as part of your design. This determination of “substantial creative value” rests solely with the Author.

D.7 - Alphabet, letterforms

The Font Files is not permitted to be used in the production of prefabricated alphabet or letterform products without the Merchandise License. These productions include products that reproduce or display font glyphs as aesthetic physical objects, including but not limited to: stencil products, adhesive alphabet stickers, dry transfer lettering, t-shirts, and merchandise. These restrictions do not apply to laser or inkjet printers used for those purposes generally associated with professional design such as, graphic and industrial design, or to sign-making facilities, provided the end product is a finished, work of design or ready to use sign.

D.8 - Modification and Derivative Work

It is prohibited to rename, modify, adapt, reverse engineer, decompile, disassemble, attempt to discover the source code, or alter the Font Files in any manner whatsoever. Any modifications, derivations and/or adaptations of the Font Files or the design and characteristics embodied therein, requires the express written permission of the Author which expressly reserves a right to create any such modifications, derivations or adaptations. Derivative Work based upon the Font Files is prohibited from being sub-licensed, sold, leased, rented, lent, or given away. The Author shall not be responsible for or required to provide unauthorised, modified and/or improperly regenerated, adapted or translated software or Derivative Work. You are permitted to convert the Font Files to outline, or bitmap images for the purposes of publishing electronic documents.

E - OWNERSHIP

E.1 - Font Files rights

E.1.a It is prohibited to claim ownership of the Font Files, even after modification. The Author retains all rights, title, intellectual property and ownership of the Font Files at all times, with or without any modifications.

E.1.b The Licensee does not grant any right, title or interest in and to the design of the Font Files itself. The Font Files and the design of the Font Files embodied therein are the exclusive property of the Author and are protected under both domestic and international copyright, and unfair competition laws. This EULA does not grant you any rights to trademark or any other intellectual property rights in the Font Files or in any typeface design in any way.

E.1.c By accepting this EULA, you acknowledge and agree that the Author holds all rights, title, and interest in the Font Files, including its structure, organization, all related files and code, and all intellectual and industrial property rights, such as copyrights, design rights, and trademarks. You agree that any use of the Font Files that is not specifically authorized by this EULA constitutes an infringement of intellectual and industrial property rights. This includes any intentional or negligent use of the Font Files.

E.2 - No incorporation of the Font Files in Open Source Softwares

You are prohibited from incorporating the Font Files into any open source software in a manner that would cause the Font Files to be classified as “Publicly Available Software” or to be subject to any “Publicly Available Software” agreement.

F - CREDITING

Wherever and whenever design production or any other credits need to be displayed, you agree to credit the Author as the copyright owner and creator of the Font Files, in the following manner: “Butler Pro Typeface © Fabian De Smet www.fabiandesmet.com”.

G - TERMINATION

The Author reserves the right to immediately terminate this Licence on notice upon breach of any of the terms of the EULA. In the event of termination, and without limitation of any remedies under law and equity, you agree to immediately cease all use of the Font Files and irretrievably delete all copies of the Font Files from all the systems on which the Font Files was shared by you/the Licensee (including but not limited to all backup or archived copies on external storage devices, USB drives or uploaded to Git repositories), and provide the Author with a certificate of destruction of all copies shared and in your control. The Author will revoke the EULA without refund or compensation where the Font Files data or the Author’s integrity is compromised and/or damaged.

H - REFUND

H.1 - Refund process

The Font Files may be exchanged or refunded only if defective. If you do not agree to the terms of this EULA and you wish to claim a refund you must provide proof of a valid sale and a valid sales receipt, and certify that no use of the Font Files is made on your behalf, and no copy of the Font Files remains in your possession or control. All claims as a customer must be made within two (2) weeks of the purchase.

H.2 - Stencils

Please note that the “Stencil” variation of the Font Files weights is only a style name and should not be considered as ready-to-use stencil letterforms for cut-outs, as it might not work properly for every glyph. No refund may be asked and the Author cannot be held responsible if the Stencil weights usage fails to meet a stencil purpose, nor the consequences which might arise from it.

I - COMPLIANCE WITH LAWS

By accepting this EULA, you acknowledge that the Font Files is subject to the copyright law and other intellectual and industrial property rights of France as well as the copyright law and other intellectual and industrial property rights of other nations and international treaties. You shall be responsible for your compliance with all laws relating to the control of exports or the transfer of technology in connection with any use and distribution of the Font Files. The Font Files and documentation are provided with RESTRICTED RIGHTS. Use, duplication or disclosure by the government, governmental authorities, its employees or vendors may be subject to restrictions set forth in federal law and regulations. If applicable, you hereby agree to familiarize yourself and adhere to any applicable rule, regulation or statute that may apply.

J - REVOCATION OF WARRANTIES

J.1 - Warranty limitations

Subject to the representations and warranties stated herein, the Font Files is provided “as is” and without fiduciary obligation to you or other warranties of any kind. The Author hereby expressly disclaims all warranties, express and implied, including, but not limited to, the implied warranties of merchantability and fitness for a particular purpose. The Author does not warrant that the operation of the Font Files will be uninterrupted or error-free, or that the Font Files is without defects. The Font Files is not intended and was not designed or manufactured for use in any circumstances where the failure of the Font Files could lead to death, personal injury, or severe physical or environmental damage. The Font Files is not fault tolerant and is not intended for use in the control or operation of devices or equipment for manufacturing, or for use in navigational devices. Under no circumstances shall the Author be liable to you, or any third party, whether in contract or tort (including negligence) or otherwise, for any special, consequential, or incidental damages, including lost profits, business interruption, loss of information, reputation, contracts, savings or business interruption as a result of the use of the Font Files even if notified in advance of such possibility. Under no circumstances, subject to the conditions noted herein, shall the Author’s maximum liability to you or any third party exceed the replacement cost of the License you purchased. Any and all other warranties, conditions or other terms implied by statute or common law are, as far as legally possible, excluded.

J.2 - Author liability

J.2.a The Author cannot be liable for a delay or failure to perform his obligations if the delay or failure results from circumstances beyond his reasonable control. This includes but is not limited to: network failures, computer or other equipment failures, electrical power failures, acts of God, terrorist action, acts of civil or military authority, government actions, riots, wars, sabotage, insurrections, labor shortages or disputes. The entire, exclusive and cumulative liability and remedy shall be that the Author will use reasonable efforts to cause the Font Files to produce a faithful reproduction of the underlying typeface design, which is of a quality consistent with industry standards, as soon as commercially practicable.

J.2.b The Author may not be aware of typographic specifications existing in each language or culture. The Author cannot be considered at fault if the glyphs of the Font Files do not provide an exact reproduction of each language specificities. The Author will use reasonable efforts to try to adapt and update the Font Files to resolve such issues.

J.2.c The Author cannot be considered at fault for visual rendering defaults including but not limited to software or hardware approximations, errors, bugs, OpenType limitations, disabled kerning.

K - IMITATION

You are strictly forbidden to outsource, redraw and recreate the Font Files and any output data, images, glyphs of the same, in part or in full. The reproduction of the Author’s assets, the creation of mockups and imitations or holding yourself out as the Author is against all copyright laws and violates the Author’s integrity.

L - INDEMNIFICATION

You agree to indemnify and hold the Author harmless from and against any claims or damage which may result from a breach of this EULA by you or anyone using or sharing the Font Files starting from your purchase and/or download. You are required to implement reasonable security precautions, protocols and protective measures to prevent the unauthorized use, distribution, duplication, transmission or dissemination of the Font Files. If the Licensee’s actions and/or the End Users or Unlicensed Third Parties who received the Font Files directly or indirectly from the Licensee, lead to the Font Files and any output data, images, glyphs of the same, in part or in full, being shared outside of the limited conditions described in the EULA, the Author reserves the right to charge the Licensee, on a full indemnity basis, for management time, expenses, legal work undertaken and damages, lost profits and loss of earnings.

M - GOVERNING LAW

This EULA will be governed by the laws of France as applies to contracts entered into and wholly performed therein without application of its conflict of law provisions or the conflict of law provisions of any other jurisdiction. You hereby expressly consent to the personal jurisdiction of the local, state or federal courts the Author will determine for the hearing or resolution of any dispute or action arising out of or related to this EULA, and you hereby further expressly waive any jurisdiction or venue how privileged they may be and agree to services of process by certified mail return receipt requested. All remedies are cumulative not exclusive.
